

October 2, 1926.

My dear Mr. Lawrence:-

your making
a daily topical survey of all the
bureaus of the National Government,
grouping related activities, is a work
which will enable our citizens to
understand and use the fine
facilities the Congress provides for them.

Such a survey will be useful to
schools, colleges, business and professions
here and abroad, wherever there is
interest in the practical working
of our government.

Yours,

Calvin Coolidge.
